

PORT OF LOS ANGELES HARBOR CUP

2023

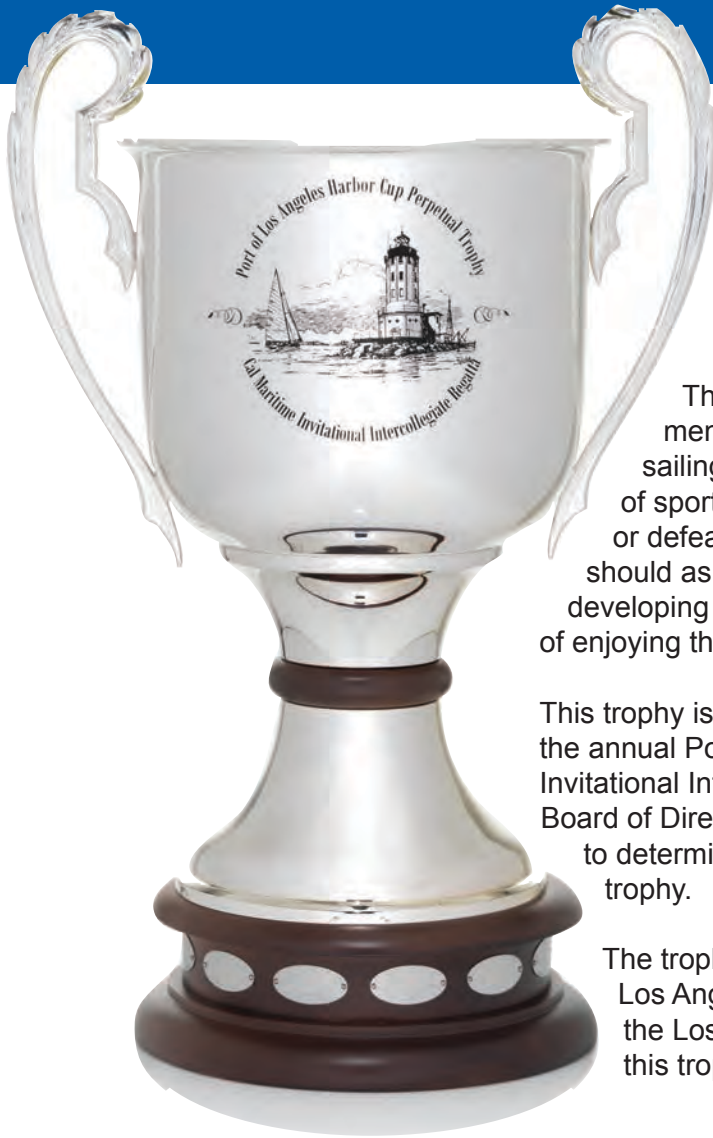

CAL MARITIME

Invitational Intercollegiate Regatta
March 10-12, 2023 • San Pedro, Calif.
Hosted by the Los Angeles Yacht Club

Port of Los Angeles Harbor Cup Perpetual Trophy

Deed of Gift

The Port of Los Angeles gives to the Los Angeles Yacht Club a perpetual trophy, described as a sterling silver cup, 18" in diameter, 36" in height, with a mahogany base 16" rounded named the *Port of Los Angeles Harbor Cup Perpetual Trophy*.

The Port of Los Angeles strongly encourages young men and women to enjoy the benefits of competitive sailing. Corinthian values that promote the highest level of sportsmanship, fairness, courtesy and grace in victory or defeat are valuable traits that all young men and women should aspire. Environmental awareness, stewardship and developing a love of the ocean are other important byproducts of enjoying this sport at an early age.

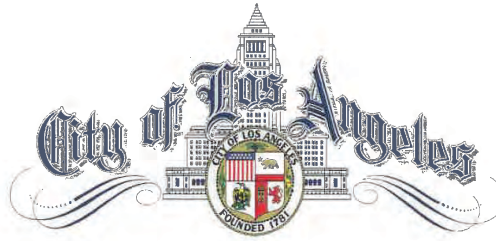

This trophy is awarded to the winning team competing in the annual Port of Los Angeles Harbor Cup — Cal Maritime Invitational Intercollegiate Regatta. The Los Angeles Yacht Club Board of Directors shall have, and retain, full power and authority to determine all questions regarding the awarding of this trophy.

The trophy shall be kept and displayed on the premises of the Los Angeles Yacht Club and maintained in good condition; the Los Angeles Yacht Club Board of Directors may display this trophy at an alternate location at their sole discretion.

Executed on February 12, 2008

TIM MCOSKER
Councilmember, 15th District

March 10, 2023

Dear Friends,

On behalf of the City of Los Angeles, I would like to welcome all the participating sailors and spectators to the **2023 Port of Los Angeles Harbor Cup-Cal Maritime Invitational Intercollegiate Regatta**.

This year is the 15th anniversary of this incredible event, which showcases the most talented collegiate sailing teams across the United States. The City of Los Angeles is honored to host this unique Pacific Ocean regatta, held in the beautiful waters outside Angels Gate.

Be sure to visit some of our unique attractions such as the historic Battleship IOWA, as well as, CRAFTED at the Port of Los Angeles – a marketplace filled with handmade goods. We are thrilled you are here in San Pedro.

On behalf of the Los Angeles Harbor community, I wish you a safe competition.

TIM MCOSKER
Councilmember, 15th District

200 N. Spring St., Room 475 Los Angeles, CA 90012

Dear Sailing Fans and Participating Teams,

Welcome to the 15th annual Port of Los Angeles Harbor Cup intercollegiate regatta!

On behalf of California State University Maritime Academy (Cal Maritime), I would like to thank the Port of Los Angeles and the Los Angeles Yacht Club for their hospitality and continued support of collegiate sailing's premier offshore competition. We are pleased to have reached this milestone in our history and immerse ourselves in the sense of pride and belonging the regatta provides.

As a member of the Pacific Coast Collegiate Sailing Conference — one of seven that compete under the Inter-Collegiate Sailing Association's governing authority — Cal Maritime is excited to welcome its alums, and fans from across the nation, to Southern California for this three-day event featuring sailing's elite programs.

In addition to their hard work in the classroom, respective communities and offshore competitions, participating student-athletes also serve as first-class university ambassadors. Successfully balancing these responsibilities require strong leadership skills, an uncommon level of resilience, integrity, respect, sportsmanship and teamwork — traits and values developed within the sport throughout their undergraduate career.

By partnering with the Port of Los Angeles and the Los Angeles Yacht Club, this regatta celebrates the sailing community's passion and pride for the sport. Hosting this event is a true honor for Cal Maritime since it allows the university to strengthen its connection to California's maritime heritage and provide another opportunity for participating teams to add another chapter to this event's storied history.

I wish everyone competing throughout Harbor Cup weekend the best of luck and offer a heartfelt thank you to everyone involved in organizing this world-class offshore event.

Sincerely,

Thomas A. Cropper
President
California State University Maritime Academy

March 10, 2023

Dear Friends:

The Port of Los Angeles is proud to sponsor the 2023 Port of Los Angeles Harbor Cup – Cal Maritime Invitational Intercollegiate Regatta – now in its 15th year – at the Los Angeles Yacht Club.

Accomplished teams from across the nation are here on the LA Waterfront, which has some of the best competitive sailing waters in the country, for this annual collegiate race that promotes discipline, teamwork, and environmental stewardship. The dedication and talent of these collegiate sailors is nothing short of inspiring.

It is a privilege to welcome you, your families and friends to our Port to safely enjoy this time-honored tradition and competition for the coveted Port of Los Angeles Harbor Cup trophy.

We wish you all fair winds and a safe, memorable weekend.

Sincerely,

EUGENE D. SEROKA
Executive Director

LOS ANGELES YACHT CLUB®

On behalf of the Los Angeles Yacht Club, I am pleased to welcome you to the 2023 Cal Maritime Invitational Intercollegiate Regatta Port of Los Angeles Harbor Cup. We are excited to be hosting the 15th annual Harbor cup and are looking forward to seeing all the competitors back to compete for the Harbor Cup Perpetual Trophy!

In addition to our race committee managing the race course, Los Angeles Yacht Club members enjoy supporting a fleet of spectator boats for the races, providing accommodations for out of town teams on our members' boats and some great evening events. We are extremely proud this year to present legendary sailor Sally Honey, as our keynote speaker on Saturday night.

Our Los Angeles Yacht Club members hope the 2023 Port of Los Angeles Harbor Cup is truly a memorable experience for all the competing teams. We wish all competitors an exciting regatta and a good hunt for the trophy!

Sincerely,

Kelly P. Marie
Commodore

Port of Los Angeles Harbor Cup Cal Maritime Invitational Intercollegiate Regatta **Spectator Boat Motoryacht Mauretania**

The Los Angeles Yacht Club is proud to offer the Motoryacht *Mauretania* as the official spectator boat for family, friends, and race supporters. This luxury vessel is an experience in itself and a superb platform for race viewing.

The Los Angeles Yacht Club and Cal Maritime extend their gratitude and appreciation to the Boyt Family for providing their historic Motoryacht *Mauretania* for Harbor Cup spectators since the inaugural regatta in 2008.

| 1130 | Warning signal for first race — no starts after 1430
Trophy presentation (once regatta concludes) |

Port of Los Angeles Harbor Cup
Cal Maritime Invitational Intercollegiate Regatta
Keynote Speaker • Sally Lindsay Honey

Sally Lindsay Honey grew up sailing keelboats on Lake Michigan and Chesapeake Bay, including a Newport-Bermuda race with her dad. After graduating college, Honey worked in anthropological research at Harvard, before transitioning to sailmaking at Hood in Marblehead, then North Sails in Connecticut. She raced a dozen one-design classes, but primarily campaigned 5-0-5 dinghies for 20 years, winning the North Americans and competed in seven World Championships.

After moving to Palo Alto, Sally ran her own sail loft/industrial sewing business for 28 years before returning to keelboats.

Of six Hawai'i races, four were on her Cal 40: two double-handed with her husband, Stan Honey, (winning the Pacific Cup overall) and two with a crew of four — one all women. She navigated the Newport Bermuda race, raced the Chicago-Mackinac Island race, spent two summers cruising the Pacific Northwest, another five months living aboard a 45-foot sailboat in Antigua, one summer sailing an Alden schooner in St. Thomas and the last eight years cruising her Cal 40 with Stan from San Francisco to Maine via the Panama Canal. Last summer culminated with a Newport Bermuda Race championship, alongside her husband and three excellent crew members, with a final double-handed delivery from Bermuda to Annapolis.

Twice named Rolex Yachtswoman of the Year, Honey served on multiple sailing boards and safety review panels, became an on-the-water volunteer for the 34th America's Cup and edited a Safety-at-Sea Handbook for US Sailing. She currently serves as chair of the World Sailing Offshore Special Regulations Sub-committee and on the US Sailing Safety at Sea and NYYC Seamanship committees.

CAL MARITIME

The two-time defending Harbor Cup champions return to the Port of Los Angeles seeking the program's ninth title in the 15-race history of this event.

Cal Maritime also seeks its second major title of the season; it became the sixth school in Kennedy Cup history to successfully defend its crown after winning the John F. Kennedy Memorial Trophy for the fifth time in school history last November.

The Keelhaulers are extremely grateful to the volunteers, the Los Angeles Yacht Club and Port of Los Angeles since their hard work and dedication are why this regatta holds a well-deserved reputation as a world-class event that annually draws the country's elite programs. The Keelhaulers also thank alums and friends of the program since their support plays a vital role in the team's success and cadet-athletes' undergraduate experience.

Coach: Kerry Deaver

The Cal Poly Sailing Team is excited and honored to return for its third year in a row at Harbor Cup! Our student-run team works hard to foster a passion for sailing and a respect for the water, as well as developing racing skills.

The crew consists of offshore sailors with racing experience ranging from TransPac, Swiftsure, Moore 24 Nationals, Santa Cruz 27 Nationals and other keelboat regattas. Our crew also consists of numerous dinghy sailors who are excited to try their hand at big boat racing.

With valuable lessons from previous appearances, and knowledge gained from our keelboat practices this year, Cal Poly is ready to return to the Harbor Cup. We thank Cal Maritime, the Port of Los Angeles and the Los Angeles Yacht Club for this incredible opportunity.

COLLEGE OF CHARLESTON

The College of Charleston Cougars are thrilled to return to the Port of Los Angeles this year, compete for the Harbor Cup and celebrate a decade of racing at this event. The offshore team worked very hard all year, training with a remarkable group of young talent and experienced success in several events, including first-place finishes at the Southern Collegiate Offshore Regatta and the Larchmont IOR.

The Cougars are coming back hungry with a crew of five seniors and two juniors returning for only their second time on the 37s, as well some new faces and a freshman at the helm. This is the first year the team is attending without their coach and fearless leader, Ned Goss, who is celebrating the recent birth of his first child. The Cougars are excited and determined to make Ned, the team and the College of Charleston proud at their 10th Harbor Cup.

MAINE MARITIME ACADEMY

The Maine Maritime Academy Varsity Sailing Team continues its traditions of “Integrity above all” and forging relationships that last a lifetime. We are thrilled to compete for the Harbor Cup against other top teams in the country; this trip is possible because of our alumni support, with special thanks to Sean Marchant ‘90, Jim and Jill Morgan ‘88.

Our campus in Castine, Maine, is located in the heart of a world class sailing area and the center of more than four centuries of maritime history. Our offshore team trains in a Sydney 38’ and a Taylor 41’ in pristine Penobscot Bay with the spectacular Camden Hills as a backdrop.

Captains Courtney King ‘23 and Nalu Ho ‘24 lead the team and bring to Los Angeles our program’s passion for competitive sailing, appreciation for our rivals, a desire to compete hard and have fun.

QUEEN'S UNIVERSITY

The Queen's Sailing Team, one of the top collegiate sailing teams in Canada, attracts some of the best sailors from across North America.

In the past QST was ranked 1st in the U.S. College Sailing Circuit, won the Student Yachting World Cup in 2016 and five Canadian Intercollegiate Sailing Association (also known as CICA) National Championships.

This team plays a considerable role in the development of college sailing athletes: This program is responsible for 14 Canadian sailing Olympians, and other key figures who made notable contributions to the sport — a list that includes Tom Ramshaw, Ali ten Hove and John Curtis. UNITED STATES COAST GUARD

The United States Coast Guard Academy Offshore Sailing Team is comprised of 33 committed cadets who divide their time between school, military duties and offshore sailing. The team sails out of Jacob's Rock, the CGA's sailing center which is located on campus. Cadets practice on the Thames River in front of the Rock, Long Island Sound and Fishers Island Sound which allows for training in a variety of conditions.

Our team splits their time racing their ocean fleet, which includes two Melges 32s, eight Leadership 44s and 10 J70s. Many team members participate in the U.S.C.G.A. Ocean Racing Program during a segment of their summer training, competing in the Newport to Bermuda Race and Annapolis to Newport Race. The team is excited to race at this year's Harbor Cup and looks forward to pushing the competition at this event.

UNITED STATES NAVAL ACADEMY

The Navy Offshore Sailing team is excited to return to the Port of Los Angeles to kick-off their spring and summer 2023 racing season. This year's crew representing Navy includes an excellent group of talented sailors chosen from a full team roster of nearly 70 Midshipmen.

After a competitive fall season in the Chesapeake Bay, the Midshipmen are back on the water training and preparing for a slate of exciting events this spring and summer, which includes the Marblehead to Halifax Ocean Race, New York Yacht Club Annual Regatta, Marion to Bermuda Celestial Challenge and Block Island Race Week, to name a few.

Thank you Cal Maritime and LA Yacht Club for your hospitality and hosting such an consistently excellent event. Sail fast! GO NAVY!

UNIVERSITY OF HAWAII

The University of Hawai'i Offshore Team is comprised of a crew of sailors that practice on the program's J35s. Many of the sailors competed on the inshore and offshore fleets this past year and are excited about this opportunity to compete in the 2023 Harbor Cup against many of the top teams in the country.

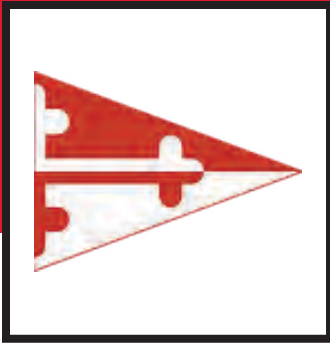

The University of Hawai'i Sailing team started in 1969 and enters its 54th year. Throughout the program's history, it hosted eight national championships, won the 2001 ICSA Women's and 2004 ICSA Coed Dinghy national titles.

UNIVERSITY OF MARYLAND

The Maryland Sailing Team is a club organization affiliated with the University of Maryland, College Park. We are a nationally recognized program that competes in the Middle Atlantic Intercollegiate Sailing Association (commonly referred to as MAISA) Southern Division. In addition, we compete in separate events such as the Intercollegiate Offshore Regatta and Navy Shields Regatta, making all attempts to compete at a variety of levels.

Our offshore team is eager for the opportunities this season will bring!

Maryland sails its fleet of FJs out of the Annapolis Sailing School. Known as one of the best sailing sites in the U.S., Annapolis lives up to its reputation in terms of high competition and great sailing conditions. We are excited to find the same elements when competing in the Harbor Cup, and hope to gain some good experience from it!

UNIVERSITY OF RHODE ISLAND

The Rhode Island Keelboat Team gains its experience in Newport during the summer by sailing on boats from J24s, to Mini Maxis, and anywhere in between.

The team has a vast number of members who participated in the Bermuda race, Annapolis to Newport Race, Ida Lewis Distance Race, Round Long Island, or Block Island Race.

For buoy racing, the team primarily competes in NYYC events, weekend races around the island (Jamestown Island), beer can racing and the Safe Harbor Race.

YUSEN TERMINALS

**Welcomes You to the
2023 Harbor Cup**

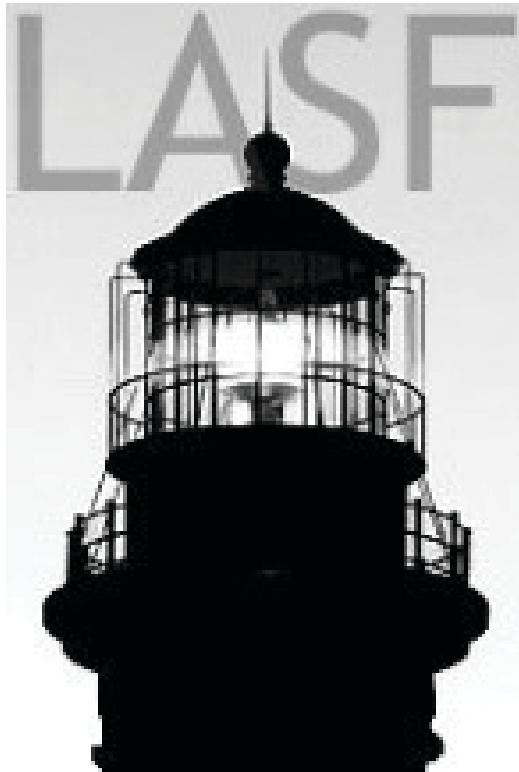

**Good Luck to This Year's
Participating Teams!**

The Catalina 37 fleet, donated by Frank Butler, the president of Catalina Yachts, has been used for Long Beach Yacht Club's signature event, Congressional Cup, for more than three decades. The Long Beach Sailing Foundation, a 501 (c)(3) nonprofit organization was formed in 1991 to own, manage and maintain the eleven "37s." As a part of its mission, the Foundation undertakes activities that promote national and international amateur sailing, maritime education and youth sailing opportunities. In the process you will find the Catalina 37 fleet at the core of all the work the Foundation does. This Harbor Cup weekend you will see the Catalina 37's in the hands of some of the best collegiate sailors and skippers in United States. To provide the fairest possible racing, the Foundation maintains the boats to an identical standard in all performance-related areas: weight, equipment, rig tuning and sails. This is possible through the tremendous efforts of dedicated volunteers, contractors and supporters. The Foundation is honored and grateful for the wonderful partners that are essential to maintaining the fleet. Special thanks go to Catalina Yachts, Bahia Marine/Quantum Sails Long Beach, our maintenance partner and to Samson Rope Technologies for "keeping the fleet rigged."

The Long Beach Sailing Foundation is proud to participate with Los Angeles Yacht Club, Cal Maritime Academy and the Port of Los Angeles in supporting intercollegiate fleet racing and helping to make Harbor Cup the outstanding event that it is.

Cal Maritime Yacht Donation Program | CMAFYachtDonation.org

Photo credit: Sharon Green / Ultimate Sailing

Discover the benefits of yacht donation. Support the next generation of mariners and maritime leaders.

Thanks to generous yacht donations, in 2022, California Maritime Academy Foundation (CMAF) provided over \$7,000,000 in support, equipment and capital improvements to enhance the education and experience of cadets at Cal Maritime. This money was generated exclusively from the CMAF Yacht Donation Program.

The CMAF Yacht Donation Program is the cornerstone of fundraising for the Foundation. Yachts donated in 2022 will generate nearly \$8.5M over the next 3 years for continued support of Cal Maritime.

California State University Maritime Academy's mission of education, research, and training is focused on the maritime industry. CMAF is a charitable organization as defined by Section 501(c)(3) of the federal tax code.
